

AFEdemy's Newsletter #4

**THIS NEWSLETTER INFORMS YOU ABOUT
THE RESULTS OF OUR DIFFERENT PROJECTS**

Check out the project results of the SAA project!

Today is the International Day of Older Persons. We want to support this by presenting the SAA project to you. Are you interested in learning more about ageism and gain insight on how to create inclusive environments? Great, you are at the right place! SAA tackles this topic through an online game accompanied by a game guide. The research outcomes include a European compendium, a toolkit for trainers, and recommendations for policymakers. Let's tackle age discrimination together!

To a fruitful meeting of the YoungCare project!

The partners of the YoungCare project met in Gouda to put their heads together and discuss the progress of the project. The main topic of this transnational meeting was the development of the e-learning platform for informal carers of care dependent (young) adults. Click on the button below to learn more about the outcomes of the meeting.

The TRIO project has been finalised

Do you want to know more about e-Health and gain skills on how to navigate through the health services that are more and more moving into the digital world? AFEdemy has co-worked with the project partners on developing several learning materials, such as a manual, an interactive e-learning platform, a toolkit for adult educators, and policy recommendations.

TRIO

Adult education on digital, health and data literacy for citizen empowerment

One project ends and another starts!

AFEdemy is now involved in a new project: Testteams4all. The aim of the project is to develop a toolkit and training to test the accessibility of public spaces, such as shops and theatres. Are you curious about this topic? Then follow AFEdemys activities in the project Testteams4all!

AFEdemy was in Brussels!

Together with SHINE, AFEdemy organised the "EU Week for Sustainable and Inclusive Communities: The Future is SHAFE" between the 1-3 of October in Brussels (Belgium). Participants from different fields came together to discuss a wide range of topics: from SHAFE and funding opportunities, to innovation frameworks and networking.
